### Dear Citizens and Visitors,

Thank you for considering our summer recreational programs and activities! We hope you will find enjoyable opportunities for you and yours in the months ahead. Children can attend one or more Youth Sports Camps, the Summer Fun recreational program, and/or participate in Special Interest Camps and Classes. And, participants "wear a smile" at our Special Recreation Camp for children with special needs and at the Safety Town Program for children preparing to enter Kindergarten in the fall!

There are plenty of enriching activities available for adults too. You can take one or more fitness classes, a Tae Kwon Do self-defense class, or sign up for a tennis league. And be sure to consider the many programs at New Quarter Park. This beautiful 545-acre site is a sanctuary for nature and relaxation, and hosts numerous outdoor activities and programs for all ages. Residents in the lower county might also want to take advantage of the York County Sports Complex with its 1.8 mile paved multi-purpose path, picnic tables and two playground areas with age-appropriate equipment. And, our Senior Citizens ages 55 and up can beat the summer heat by enjoying a host of activities and special programs inside the air-conditioned Senior Center of York, where friendship and "community" abound!

Finally, we encourage our residents and visitors to consider the special events and concerts planned for the historic Yorktown area and beautiful Yorktown Waterfront. This picturesque performance venue is also a unique place for learning, playing, strolling, shopping and dining!

Hoping you and yours have a safe and fulfilling summer!

Sincerely,

Brian Fuller
